

## Medication Safety Patrol: Q&A Safety Rounds

### Instructions

1. Pass out the Question cards and Answer cards evenly amongst the participants in your group.
2. The participant with the '#1' on their Question card goes first. Read your question aloud. Everyone should look at their Answer cards to see if they have the answer. If you believe you have the correct answer, read your answer aloud. Decide as a group if that answer indeed is correct.
3. Repeat steps #2 with the remaining Question cards, starting with Question #2 and continuing to the last question, Question #6.
